

# Millencolin, Chiquita Chaser

Maybe just because I was newly washed like Brandon Walsh  
you took notice of me, you thought I was a rockstar some gangster  
or a bowling star I dont believe you babe  
you're not the only one who think I am a chiquita dude  
well I'm afraid I'm not that rude  
I took you to the A-house and even to the punk-palats  
those trips made you throw up and after a few nights you took off  
to the holm of asp's that's where you belong  
When it comes to you it's hard to have an open mind  
so I just have one advice, to say....  
Walt Jabsco, Walt Jabsco now that's what I call rude  
he's the man he's a super dude.
