

Millencolin, Pepper

Verse 1

So you ain't got all your chickens home
From what I do recall you don't have incurable syndromes
Don't you worry 'bout a single thing
Don't you hurry you're a future king

(Chorus)

I know it's all in you
Just gotta find out what you wanna do
I know it's all in you
And deep inside you feel it too

Verse 2

They say you're lazy and don't wanna work
It's not too crazy not to wanna slave you're not a jerk
Don't you doubt about your future plan
You're a knockout I'm your biggest fan

Chorus

Verse 3

You know it's up to you
You always have an option
To choose what you wanna do
Take control or run and hide
It's okay to take a fall
If you have good intentions
As long as you give it all
You'll feel good inside

Chorus
