

Millenium, Time

Tic Tic Tac
The time is passing by
And you fall can see
The seconds don't lie
Tic Tic Tac
I wish I could go back
On the other hand
You wish is my command
One Two Three
It's all the same to me
Singing three four five
You can't go back in time
You and me
Is all that I can see
I can dream, can't I
It's gonna be alright
Time will never give me one more try
-I wouldn't wanna miss you baby-
Time will never change my way of life
-Oh no- (x2)
