

Millionaires, Bang Bang Take A Shot

Bang Bang Take a Shot
Boys and girls lets play a game
Yeah yeah
Now here's the thing
I'm the one you want to claim
Just fall in love don't be ashamed
Love it when you scream my name
Baby, baby don't be lame
So hyped up on all the fame
I know, I know that's why you came
Bang Bang Take a Shot
Love me now, Love me not
Fight, fight close the door
Show me that you want to score

Love me now, Love me not
Fight, fight yea were hot
One more kiss, you'll hit the spot
Bang Bang Take a Shot

All the reason to get down
So much booze that I can drown
One more shot I'll take the crown
