

Millionaires, I like money

Drop it down, raise it up
Side to side, left to right
Lick your lips, flip your hair
Watch him sweat over there
High heels, makeup, fake eyelashes
Look at you, you're so damn plastic
Acrylics on with orangey skin
That lipo really made you thin
Tease it, spray it, make it big
Your hairs so big, it's like a wig!
Your skirts is short, your top is low
Speed it up, it's way too slow!
You like it when i rock mi hips
So why
you staring at my tits?
So go to him and make him work
For what he's got and how you twirk
Look over here!
and let me see that body rock!
Get over here!
I know you like what I've got!
Look over here!
