

Mimi Webb, Heavenly

Oh-oh, oh-oh
Oh-oh, oh-oh

Took a little time for me to figure it out
Noises in my head that I can never drown out
But you wouldn't know what I'm talking about
'Cause you run around
I'm tired of all the he said and she said
The three in the morning regrets
About some shit that you can't let go
I'm tired of feeling useless and stupid
'Cause you don't know how to be human
Oh, I'm about done with the show

Why does it feels so Ooh, ooh
Heavenly, heavenly?
Thought letting you go Ooh, ooh
Would hit me heavily, mentally
You kissed me goodbye
Ooh, it's easy in your eyes
And finally I could breathe
I'm sorry but it's
So So, so So
Heavenly, heavenly
Heaven, heaven

Left a lot of people that I needed behind
Drowning my heart out while I cover my eyes
Mixing up the pain with the butterflies
Baby, I don't
Know why I had to hold on for so long
I don't do that for no one
Guess I was scared to say it myself
I'm tired of all that you do but I don't
Feel like I'm walking a tightrope
Time I started taking control, oh-oh, oh

Why does it feels so Ooh, ooh
Heavenly, heavenly?
Thought letting you go Ooh, ooh
Would hit me heavily, mentally
You kissed me goodbye
Ooh, it's easy in your eyes
And finally I could breathe
I'm sorry but it's
So So, so So
Heavenly, heavenly

Oh, oh, oh, oh
Why does it feels so heavenly, heavenly, heavenly? Oh, oh, oh
Why does it feels so heavenly, heavenly, heavenly? Oh, oh, oh
Why does it feels so heavenly? Oh, oh, oh, baby

Why does it feels so Ooh, ooh
Heavenly, heavenly?
Thought letting you go Ooh, ooh
Would hit me heavily, mentally
You kissed me goodbye
Ooh, it's easy in your eyes
And finally I could breathe
I'm sorry but it's
So So, so So
Heavenly, heavenly
Heaven, heaven

Heaven, heaven
Heaven, heaven
Heaven, heaven
Heaven, heaven
Heaven, heaven
Heaven, heaven
Heaven, heaven
Heaven, heaven
