

Mindless Self Indulgence, Adios Amigos

Anti-drugsters smokin up as homies act belligerent

Shootout over tickets for me

Injure to the fuckups

Porno-ography makes me go hyper

From internet to peepshow

I will never find our freakin' diapers

Let's go to the mall

Pick up some kids

Spice up the sezenz

'Cause I got the balls

All of them knew..

Most people with nuts

Don't know how to squeeze em!

I hate metal, I know better

I take chances, I know better

I lose money, I know better

I'm so screwed 'cause I'm no better

Adios amigos, no estas usted

Adios amigos, no es bueno

Now we took your picture, sucka

Your pants on fire

I'm a little pervert that you know will

Never retire

But you sampled and ruined it

And you added nothin, nothin to it

Now I do it too

And now we all will have to suffer through it

Let's go to the mall

Pick up some kids

Spread some diseases

'Cause I got the balls

All of them knew..

Most people with nuts

Don't know how to squeeze em!

I hate metal, I know better

I take chances, I know better

I lose money, I know better

I'm so screwed 'cause I'm no better

Adios amigos, no estas usted

Adios amigos, no es bueno

Don't call me Daddy

Don't call me Daddy

Let's go the mall

Pick up some kids

Spread some diseases

'Cause I got the balls

All of them knew..

Most people with nuts

Don't know how to squeeze them

I hate metal, I know better

I take chances, I know better

I lose money, I know better

I'm so screwed 'cause...

Don't call me Daddy

Don't call me Daddy

Adios amigos, no estas usted

Adios amigos, no es bueno
