

Mindless Self Indulgence, Adios Amigos

Anti-drugsters smokin up as homies act belligerent
Shootout over tickets for me
Injure to the fuckups
Porno-ography makes me go hyper
From internet to peepshow
I will never find our freakin' diapers
Let's go to the mall
Pick up some kids
Spice up the sezenz
'Cause I got the balls
All of them knew..
Most people with nuts
Don't know how to squeeze em!
I hate metal, I know better
I take chances, I know better
I lose money, I know better
I'm so screwed 'cause I'm no better
Adios amigos, no estas usted
Adios amigos, no es bueno
Now we took your picture, sucka
Your pants on fire
I'm a little pervert that you know will
Never retire
But you sampled and ruined it
And you added nothin, nothin to it
Now I do it too
And now we all will have to suffer through it
Let's go to the mall
Pick up some kids
Spread some diseases
'Cause I got the balls
All of them knew..
Most people with nuts
Don't know how to squeeze em!
I hate metal, I know better
I take chances, I know better
I lose money, I know better
I'm so screwed 'cause I'm no better
Adios amigos, no estas usted
Adios amigos, no es bueno
Don't call me Daddy
Don't call me Daddy
Let's go the mall
Pick up some kids
Spread some diseases
'Cause I got the balls
All of them knew..
Most people with nuts
Don't know how to squeeze them
I hate metal, I know better
I take chances, I know better
I lose money, I know better
I'm so screwed 'cause...
Don't call me Daddy
Don't call me Daddy
Adios amigos, no estas usted
Adios amigos, no es bueno
