Dick

Play that record backwards

It's a message, yo, for the suckers.

Play that record backwards

And go fuck yourself

Play that record backwards

It's a message, from us

Play that record backwards

And go, go, go, go, go, go

Kill yourself

Motherfucker go kill yourself

Motherfucker go kill yourself

Motherfucker go KILL...

Yourself

Hate and devour the young

And the weaker ones

And don't forget the guns

(You're gonna need 'em to go kill yourself)

Hate all the people you love

In a river of blood

And don't forget the guns

You're gonna need 'em to destroy

Always destroy

Always destroy

Always destroy

Yourself

Yourself

Destroy yourself if you don't get what you want, now

Hate all the people you love

In a river of blood

And don't forget to

go, go, go, go, go, go

Kill yourself

Motherfucker go kill yourself

Motherfucker go kill yourself

Motherfucker go KILL...

Yourself

Hate all the people you love

In a river of blood

And don't forget the guns

You're gonna need 'em to destroy

Always destroy

Always destroy

Always destroy

Yourself
