

Mindless Self Indulgence, Capitol P

I don't want to be the one
Who'se suck with me when I whip my meat out
Trapped in the room when I start to beat it
I don't want to be the one
Who'se touching me when I whip my meat out
Juggling my balls and I start to get a beat down

Perverted
With a Capitol P
Converted
Into what you see
Inserted
Deep inside of me
Diserted
It won't happen to me, happen to me
No it will not Happen to me

You Know I'm really horny really horny wont stop
You know i'm really horny yo I'm really horny, yo I'm really Horny
You Know I'm really horny really horny wont stop
You know i'm really horny yo I'm really horny, yo I'm really Horny

I don't want to be the one
Who'se suck with me when I whip my meat out
Trapped in the room when I start to beat it
I don't want to be the one
Who'se touching me when I whip my meat out
Juggling my balls and I start to get a beat down

Per-per-per-perverted
Some some some some some with it
