

# Mindless Self Indulgence, Fack You Man

I have lost my edge  
So happy  
I have lost my edge  
So happy  
I have lost my edge  
FUCK YOU MAN!! Don't mean nothin' anymore...  
FUCK YOU MAN!! Don't mean nothin' anymore..  
I played it out, out, out, out...  
I played it, out out out out!  
I'm big enough to make up for all that I never really did  
I'm big enough to make up for all that I never really did...  
So Happy  
I have lost my edge...  
HEY FUCK YOU MAN!  
Don't mean nothing anymore  
FUCK YOU MAN!  
Don't mean nothing anymore  
I played it out, out, out, out  
I played it, out out out out!  
I'm big enough to make up for all that I never really did  
I'm big enough to make up for all that I never really did...  
\*Make up the blush, Make it all tight?\*HEY FUCK YOU MAN!  
Don't mean nothing anymore  
FUCK YOU MAN!  
Don't mean nothing anymore..  
I played it out, out, out, out  
I played it, out out out out!  
I'm big enough to make up for all that I never really did  
I'm big enough to make up for all that I never really did...  
I made. it. up. to make up for all that I never really did...[repeat 3x]
