

Mindless Self Indulgence, Fack You Man

I have lost my edge

So happy

I have lost my edge

So happy

I have lost my edge

FUCK YOU MAN!! Don't mean nothin' anymore...

FUCK YOU MAN!! Don't mean nothin' anymore..

I played it out, out, out, out...

I played it, out out out out!

I'm big enough to make up for all that I never really did

I'm big enough to make up for all that I never really did...

So Happy

I have lost my edge...

HEY FUCK YOU MAN!

Don't mean nothing anymore

FUCK YOU MAN!

Don't mean nothing anymore

I played it out, out, out, out

I played it, out out out out!

I'm big enough to make up for all that I never really did

I'm big enough to make up for all that I never really did...

Make up the blush, Make it all tight?

HEY FUCK YOU MAN!

Don't mean nothing anymore

FUCK YOU MAN!

Don't mean nothing anymore..

I played it out, out, out, out

I played it, out out out out!

I'm big enough to make up for all that I never really did

I'm big enough to make up for all that I never really did...

I made. it. up. to make up for all that I never really did...[repeat 3x]
