

# Mindless Self Indulgence, Futures

let me introduce myself  
let me introduce my bad self  
hundred beats per minute baby  
don't mean shit to me - to me  
this ain't no blast - this ain't no blast - this ain't no blast from the past  
future - oh oh - this ain't no blast from the past  
future - no future - your future  
my dick's the bomb - baby  
future - your future - your future  
this ain't no minute for me
