

Mindless Self Indulgence, Mastermind

I am the mastermind
Leaving you all behind
And that ain't no fuckin' lie!
I am the mastermind
It's just a problem of mine
It's like columbine
Co...lum...BINE!
Your time has come
Kiss it all good-bye
Your time has come
Kiss it all good-bye
What's that ruckus?
What's that ruckus?
What's that ruckus comin' through the night?
That's right
That's right
That's right
This message cannot be denied
What's that ruckus?
What's that ruckus?
What's that ruckus comin' through the night?
That's right
That's right
That's right
I am the mastermind
Underline mastermind
Until your pencil breaks
I am the mastermind
Just like a suicide
Your credit has been denied
De...NIED!
Your time has come
Kiss it all goodbye
Your time has come
Kiss it all goodbye
What's that ruckus?
What's that ruckus?
What's that ruckus comin' through the night?
That's right
That's right
That's right
This shit gonna turn your mama white
What's that ruckus?
What's that ruckus?
What's that ruckus comin' through the night?
That's right
That's right
That's right
That's right
Oh, Pennsylvania
Oh, Pennsylvania
Oh, Pennsylvania
Oh, Pennsylvania
I am the mastermind
Intelligent by design
It makes me wanna cry
I am the mastermind
And now that I'm satisfied
It's time to say goodbye
Good...BYE!
Your time has come
Kiss it all goodbye
Your time has come
Kiss it all goodbye

What's that ruckus?
What's that ruckus?
What's that ruckus comin' through the night?
That's right
That's right
That's right
That's right
I will not apologize
What's that ruckus?
What's that ruckus?
What's that ruckus comin' through the night?
That's right
That's right
That's right
That's right
