

# Mindless Self Indulgence, Pay For It

I know I'll feel this way forever  
I know no one will beg to differ  
Goodbye, so long, it's been a pleasure  
They love me when I say that  
I don't want you to hate me (oh no), I want you to want to hate me  
I don't want you to date me (oh no), I want you to want to date me  
I wanna pay for it, all this shit  
I wanna pay for it like a god damn son of a bitch  
I wanna pay for it, all this shit  
I wanna pay for it like a god damn son of a BITCH (hey x5)  
Never gonna be perfect  
(No, never gonna be, never good enough, not for me)  
I know I'll feel this way forever  
(No, never gonna be, never good enough, not for me)  
I know no one will beg to differ  
They love me when I say that  
I don't want you to hate me (oh no), I want you to want to hate me  
I don't want you to date me (oh no), I want you to want to date me  
I wanna pay for it, all this shit  
I wanna pay for it like a god damn son of a bitch  
I wanna pay for it, all this shit  
I wanna pay for it like a god damn son of a BITCH (heyx5)  
Never gonna be perfect  
(Noooooooooooooooooooooooooooo) (x2)  
I let my motives be my motivations  
I'm gonna rock you like a fornications  
Too much of one thing never hurt me, baby  
It is aggressive, that's the message we send (x2)  
I don't want you to hate me (oh no), I want you to want to hate me  
I don't want you to date me (oh no), I want you to want to date me  
I wanna pay for it, all this shit  
I wanna pay for it like a god damn son of a bitch  
I wanna pay for it, all this shit  
I wanna pay for it like a god damn son of a BITCH (heyx5)
