

# Mindless Self Indulgence, Played

[Beginning]

So happy  
I have lost my edge  
So happy  
I have lost my edge  
So happy  
I have lost my edge

FUCK YOU MAN!! Don't mean nothin' anymore...  
FUCK YOU MAN!! Don't mean nothin' anymore..

I played it out, out, out, out...  
I played it, out out out out!

I'm big enough to make up for all that I never really did  
I'm big enough to make up for all that I never really did...

So Happy  
I have lost my edge...

[gibberish]  
HEY FUCK YOU MAN!  
Don't mean nothing anymore  
FUCK YOU MAN!  
Don't mean nothing anymore

I played it out, out, out, out  
I played it, out out out out!

I'm big enough to make up for all that I never really did  
I'm big enough to make up for all that I never really did...

\*Make up the blush, Make it all tight?\*

HEY FUCK YOU MAN!  
Don't mean nothing anymore  
FUCK YOU MAN!

Don't mean nothing anymore..  
I played it out, out, out, out  
I played it, out out out out!

I'm big enough to make up for all that I never really did  
I'm big enough to make up for all that I never really did...

I made. it. up. to make up for all that I never really did...[repeat 3x]
