

Mindless Self Indulgence, Prescription

I'm the doctor, I'm the patient
Don't forget that, it's important
If ya love me, like I love me
Everybody will be sorry
Well I don't need nothin' before the show
I don't need nothin', well that's not so
I need something before the show
Just a little something to make me GOOOOO
Wow Woah Ohh
Ya kna-kna-know what I want?
Wow Woah Ohh
Ya kna-kna-know what I want?
Give me more [x2]
Pretty please - a prescription
