

# Mindless Self Indulgence, Prove Me Wrong

Oh!  
Sweet ignorant bliss  
I wish I could kiss you  
Right on the fuckin' mouth  
Because I want to forget  
Oh, yes  
I need to forget  
That nothing good could ever happen  
when I trust people  
Because no one is perfect  
Because the world is imperfect  
And I will never be perfect  
And that's perfect  
To have live this life  
To sing this song  
Let's go!  
Why (Why)  
Don't (Don't)  
You (You)  
Come (Come)  
Here (Here)  
And (And)  
Prove (Prove)  
Me (Me)...  
Why don't you come here  
and try to prove me wrong  
'Cause I am a stupid boy  
And you are a stupid girl  
Why don't you come here  
and turn me on!  
I don't make rules  
I just break rules  
I don't make love  
I just...  
Oh!  
I have seen the price of failure  
And it is always high  
And looking back on my life  
I would have liked it  
If society had gone through the trouble  
Of protecting you from me  
The only insurance I have  
Is my own two hands  
The only insurance I have  
Is my stupid fans  
Who had to live this life  
To sing this song  
Let's go!  
Why (Why)  
Don't (Don't)  
You (You)  
Come (Come)  
Here (Here)  
And (And)  
Prove (Prove)  
Me (Me)...  
Why don't you come here  
and try to prove me wrong  
'Cause I am a stupid boy  
And you are a stupid girl  
Why don't you come here  
and turn me on!  
I don't make rules  
I just break rules

I don't make love  
We just...  
Why don't you come here  
and try to prove me wrong  
'Cause I am a sexy boy  
Why don't you come here  
And try to turn me on  
'Cause I am a sexy girl  
Why don't you come here  
and try to lead me on  
'Cause I am a stupid boy  
Why don't you come here  
and try to play along  
'Cause I am a stupid girl
