

# Mindy McCready, A Girls Gotta Do(What A Girls Gotta Do)

The first thing I did when you said goodbye  
was sat myself down and had a real good cry  
The next thing I did was put my red boots on  
and went downtown dancing till the break of dawn

A girls gotta do what a girls gotta do  
and now I've gotta get to getting over you  
Too bad I've gotta do it with someone new  
but a girls gotta do what a girls gotta do

Fancy meeting you at our stomping-ground  
sorry that you caught me painting the town  
Guess I should have stayed home with your memory,  
Baby,don't take it personally

chorus:

bridge:  
Give me a call sometime real soon,  
and remind me to remember to forget about you  
oh yeah

chorus:

A girls gotta do it,  
a girls gotta do it  
too bad I gotta do it with someone new  
but a girls gotta do what a girls gotta do!
