

Mindy McCready, I've Got A Feeling

(Leslie Winn Satcher/Kevin Grantt)

I, I, I've got a feelin'
And I, I, I'm gonna hold you tonight
I, I, I've been dreamin'
Of holding your sweet body next to mine

Oh baby it's sure been a long time comin'
Oh take me to that place that you've got hidden

In your e,e,eyes dark and yearning
Time is given to desire
M,m,my mind is spinning (my mind is spinning)
Thinking about what's about to be mine

Oh baby it's sure been a long time comin'
Oh take me to that place

The two of us just one heartbeat
Your love it's so easy oh, oh

I,I,I've got a feelin'
And I,I,I'm gonna hold you tonight
I,I,I've been dreamin'
Of holding your sweet body next to mine

Holding your sweet body baby
Holding your sweet body baby
Holding your sweet body next to mine
