

# Mindy McCready, Ten Thousand Angels

Speakin of the devil  
Look who just walked in  
He knows just where to find me  
Here we go again  
I can tell he's gonna ask me to dance  
That's not as far as he wants to go  
I need ten thousand angels  
To help me tell him no

Chorus:  
Lead me not into temptation  
Heaven help me to be strong  
I can fight all that I'm feelin  
But I can't do it alone  
Help me break this spell that I'm under  
Guide my feet and hold me tight  
I need ten thousand angels  
watchin over me tonight

It's time to face my weakness  
Look him in the eye  
Lord knows it won't be easy  
but I've just gotta try  
I can't let myself get lost in his arms  
That's how I got my heart broke before  
I need ten thousand angels  
To walk me out the door

Repeat Chorus

I need ten thousand angels  
Watchin over me tonight

Ten thousand angels watchin over me tonight  
(Repeat)
