

# Minelli, Peligrosa

Ding, ding, I'm ready  
Turn the lights low  
Bottoms up, baby  
Casamigos  
Lips sweet like funfetti  
Make your heart go

Boom, boom, come get it, yeah  
You got one minute  
To make my body move  
Nothing makes me dizzy like you do  
So I'mma, I'mma, I'mma

I'mma, I'mma light on fire  
I'mma, I'mma go, go wilder  
'Bout to get muy, muy peligrosa  
Mixing emotions with mimosas  
I'mma, I'mma go all nighter  
Pop another bottle right up  
'Bout to get muy, muy peligrosa  
Mixing emotions with mimosas

Ring, ring, ring, pick up  
Them shots calling  
If we gon' link up  
They better keep coming  
Go hard like palinka  
Baby, we go in

Boom, boom, come get it, yeah  
You got one minute  
To make my body move  
Nothing makes me dizzy like you do  
So I'mma, I'mma, I'mma

I'mma, I'mma light on fire  
I'mma, I'mma go, go wilder  
'Bout to get muy, muy peligrosa  
Mixing emotions with mimosas  
I'mma, I'mma go all nighter  
Pop another bottle right up  
'Bout to get muy, muy peligrosa  
Mixing emotions with mimosas

I'mma, I'mma light on fire  
If you wanna lose your mind  
Come catch me on my sunny side up  
I'mma, I'mma go all nighter  
'Bout to get muy, muy peligrosa  
Pe-pe-pe-pe-peligrosa

I'mma, I'mma light on fire  
I'mma, I'mma go, go wilder  
'Bout to get muy, muy peligrosa  
Mixing emotions with mimosas  
I'mma, I'mma go all nighter  
Pop another bottle right up  
'Bout to get muy, muy peligrosa  
Mixing emotions with mimosas

'Bout to get muy, muy peligrosa  
Mixing emotions with mimosas
