

Ministry, Gangreen

"I'm the ministry of death

Ahoorah!

I'm a marine - I'm hard - I'm trained

I'm part of a brotherhood - no hackers allowed

You scumbag sonofabitch

You bubble-butt'd bulging maggot piece of shit

You syphilitic Siberian sonofabitch

I'm gonna screw your head off

I'm gonna stick my dick in your nose

I'm gonna sell you to queers

I'm gonna bury you like dog shit

Ahoorah!"

M16's for Jesus Christ

Humpin' my rifle like I hump your wife - "Ahoorah!"

Boots on the ground and head held high

I'm ready to kill and I'm ready to die - "Ahoorah!"

Gangreen

Gangreen

Devil dogs to the front of the fight

Gonna kill everything in sight

Born again hard and born again mean

Trained by the corps to be a killing machine - "Ahoorah!"

And if I die for the US of A

Pin a medal on my chest and give me benefit pay - "Ahoorah!"

"My corps

Your corps

Hard corps

Marine corps

Ahoorah!

Marine corps"

First on the scene and the last to know - "Ahoorah!"

First ones shipped and the last ones home - "Ahoorah!"

(I'll) tell you why God loves the marines - "Ahoorah!"

Heaven is stocked with our casualties - "Ahoorah!"

Gangreen

Gangreen

Devil dogs to the front of the fight

Gonna kill everything in sight

"My corps

Your corps

Hard corps

Marine corps

Ahoorah!

My corps

Ahoom-ah!

Your corps

Hard corps - Hard corps

Marine corps - Marine corps

Ahoorah!"
