

# Ministry, Step

I need help  
I need help

I don't know who I am no more  
I'm gonna get some help  
Help me

Step! Step, step it up baby!  
Got a question for you: like, who, what, where, why?  
Are we even here?  
Or are we following alone like another lost Indian looking for his tribe?  
Oh dial the phone.  
We might as well find someone else.  
???

Grrr!

(wails)

I like to apologize to all my wonderful fans  
For sticking by me through such troubled times  
I love all you so much  
I wish I could take you all to the Betty Ford Clinic  
Yeah

Step! Step it up baby!  
We gotta sell institutions of recovery,  
We gotta kill distributions of the pills I take!  
???

Grr!

Step! Step it up baby!

I love all my fans  
Through these times of nakedness  
If I could I'd take any one of you with me  
Put you right underneath my pillow

[fade out..]
