

# Ministry, The Land Of Rape And Honey

Face to face  
Blood to blood  
The mountain  
You tumbled from  
And in the land of rape and honey  
You pray

Step by step  
You climb the mountain  
You pray

Fist to fist  
Eye to eye  
The rulers of the wasteland  
And in the land of rape and honey  
You pray

Step by step  
You climb the mountain  
You pray

Head to head  
Chest to chest  
Which country is the very best?  
And in the land of rape and honey  
You pray

Step by step  
You climb the mountain  
You pray
