

# Minnie Riperton, Dancin' & Actin' Crazy

Late last night I dreamed my baby called  
But he wasn't on the phone  
I got up and tiptoed down the hall  
And tripped into the twilight zone

Everyone there was gettin' down  
Dancin' and actin' crazy  
Everyone there was carryin' on  
Dancin' and actin' crazy

Sparkelitas vamped around the room  
Flashin' out with champagne eyes  
G. randini played those eighty-eights

Till ivory tears began to fly

Oh what a party  
The baddest jam I'd ever seen  
I started shakin'  
I had to scream

I woke up and wondered where I'd been  
Just a dream I realized  
Went downstairs to put some water on  
And I could not believe my eyes  
Why why !
