

Minnie Riperton, Dancin' And Actin' Crazy

Late last night I dreamed my baby called
But he wasn't on the phone
I got up and tiptoed down the hall
And tripped into the twilight zone
Everyone there was gettin' down
Dancin' and actin' crazy
Everyone there was carryin' on
Dancin' and actin' crazy
Sparkelitas vamped around the room
Flashin' out with champaigne eyes
G. Randini played those eighty-eights
Till ivory tears began to fly
Oh what a party
The baddest jam I'd ever seen
I started shakin'
I had to scream
I woke up and wondered where I'd been
Just a dream I realized
Went downstairs to put some water on
And I could not believe my eyes
Why Why !
