

Minnie Riperton, Light My Fire

(The Doors)

You know that it would be untrue
You know that I would be a liar
If I were to say to you
Ohh, we couldn't get much higher
C'mon baby light my fire
C'mon baby light my fire
Try to set the night of fire
The time for hesitations through
No time to wallow in the mire
Darling, we could only lose
And our love become a funeral pyre
Jose: Oh listen I'm here to light your fire baby
Cause you been given me inspiration darlin'
And I'm here to fill you with desire
Minnie: Well then fill me with desire
Light my fire
Jose: You light my fire ... I'll light your fire
light your fire
Light your fire anytime you want
I'll get you higher ...light your fire
Minnie: I'll let you oooooh oh oh
Come here and light my fire baby
Jose: Oh, come here and light my fire baby yeah
Minnie: woh oh, you make me feel so good
so good baby
Jose: Aye! Que rico esta hueso mrar ooooh baby yeah
Voy a prender ese fuego ese
fuego caliente
Que cosa mas rico es asi mama
que buena estas
Aye yea
Minnie: Eso es muy cierto muchacho
que rico esta
Minnie & Jose: Aye!
