

# Minnie Riperton, Oh Darlin', Life Goes On

(M. Riperton R. Rudolph F. Perren)

I think I hear your song  
I look, but you're still gone  
Oh Darlin' ... what goes on?  
Your memory tortures me  
Why wouldn't you let me be  
Oh Darlin' ... please set me free  
You hurt me till I cried  
But now my tears have dried  
And I'm waiting for the sun to shine  
Oh Darlin'  
I know you done me wrong  
I'll miss you Darlin'  
But life goes on... life goes on...  
And I'll get along ... I'll get along  
I wake alone at night  
I ache to hold you tight  
Oh Darlin' ..., it's just not right  
The damage had been done  
I've got to have some fun  
Forget you, I wish I never met you  
Oh Darlin'  
I know you done me wrong  
I need you Darlin'  
But life goes on ... life goes on...  
But I'll get along... I'll get along  
Somehow, somehow, I know ... I'll get along  
Life goes on  
It's clear, my dear, from here ... I'll get along  
Life goes on
