

# Minnie Riperton, Seeing You This Way

(M. Riperton R. Rudolph)

la la la la la la la la la...  
Seeing you this way makes me feel so happy  
Seeing you this way makes me feel so good  
You come alive  
You fill the world with magic  
When you move this way  
You fill the world with love  
Seeing you this way makes me feel so happy  
Thank you, thank you for your love  
la la la la la la la la la  
I just wanna thank you
