

# Minnie Riperton, When It Comes Down To It

(M. Riperton R. Rudolph)

When it comes down to it and it's time I get it on  
Ain't no way to do it  
You can find yourself alone  
All you high falutin' ain't worth nothin' when you're old  
When it comes down to it  
Love will get you more than gold  
When it comes down to it  
When it comes down to it  
When it comes down to it  
There'll be dancin' in the night  
Cause now the fools who blew it will be hidin' from the light  
So mama tell your children not to feel so all alone  
Cause when it comes down to it  
He'll be there to take us home  
We can get back to the garden  
If we keep our karma high, yeah  
We were meant to love each other  
Like the birds wer meant to fly  
When it comes down to it  
There'll be dancin' in the night  
Cause now the fools who blew it will be hidin' from the light  
So mama tell your children not to feel so all alone  
Cause when it comes down to it  
He'll be there to take us home  
When it comes down to it
