

# Minor Threat, Out Of Step

Don't smoke!  
Don't drink!  
Don't fuck!  
At least I can fucking think  
I can't keep up  
Can't keep up  
Can't keep up  
Out step with the world  
I can't keep up  
Can't keep up  
Can't keep up  
Out step with the world  
Don't smoke!  
And don't drink!  
And don't fuck!  
At least I can fucking think  
I can't keep up  
Can't keep up  
Can't keep up  
Out step with the world  
I can't keep up  
Can't keep up  
Can't keep up  
Out step with the world
