

# Mint Condition, If You Love Me

(Chorus)

If you love me  
like you say you do why don't you show me  
just how much you do  
if you love me unconditionally  
say that you'll always  
always be with me

(Verse 1)

in my heart  
there is a love  
that's yearning for you  
let me know  
if you feel the same  
the yearning that i do  
all i know is that i need a love  
to give me what i need  
don't be afraid or hesistate  
i'm trying to make you see  
how it's gotta be

(Chorus)

(Verse 2)

all the words that you didn't say  
pushed me away from you  
words of love that i need to hear  
to let me know you do  
through the night i dry my eyes  
for now i have learned  
Lonely tears they fall the same  
for love is not returned  
love is not returned

(Chorus)

I got what you want  
you got what i want

chorus till end
