

# Mint Condition, What Kind Of Man Would I Be

What Kind Of Man Would I Be

You say you feel disenchanting  
'Cause lately he takes you for granted  
Still faithful and true you remained  
And to her so divine  
You pour out your heart and I listen  
And we catch a vibe reminiscing  
Temptation so strong not to mention  
The yearning inside

Chorus:  
But what kind of man would I be  
If I lived unfaithfully  
And what kind of girl would you be  
If you did the same

'Cause I don't wanna see her cry  
And you don't need a reason to lie  
'Cause if we lay down tonight  
It won't justify throwing love aside  
This feeling is strong and we know it  
But we gotta see past the moment  
There's too much to lose if we flow it  
This is no lie  
But still here we are altogether  
With promises made that we never  
You're feeling it now more than ever  
I can't deny

CHORUS

Here we are  
All alone  
But somehow we got to remain strong

CHORUS

Makes me wanna say oh oh oh oh oh oh oh  
Just gotta say oh oh oh oh oh oh oh  
(fade)
