

Mint Royale, See You In The Morning

Sometimes you're fake and sometimes you're shy
Sometimes the air comes at the right time
And everyone's a friend tonight
It doesn't have to end tonight
See you in the morning with new eyes
Open up your mind
And fly
And fly
Sometimes you ask and get a reply
Sometimes it's easy to make up your mind
And everyone's a friend tonight
See there is no end in sight
See you in the morning with new skies
Open up your eyes
And fly
And fly
And fly
And fly
Everyone's a friend tonight
It doesn't have to end tonight
See you in the morning with new eyes
Everyone's a friend tonight
It doesn't have to end tonight
See you in the morning with new skies
And fly (see you in the morning with new eyes)
And fly (see you in the morning with new skies)
And fly (see you in the morning with new eyes)
And fly (see you in the morning with new skies)
