

# Mirah, The Garden

Oh oh i really wanted that thing  
I just want to sing  
I love you baby  
Won't you bring  
All the flowers you  
Find out in the garden  
Don't tell me the truth  
That your heart has hardened  
But you don't want me anymore  
How can it be  
Look what you've done to me  
Oh oh  
Oh oh the bee does quickly sting  
I was wondering  
If you could maybe darling  
Think? I'd give everything  
If you'd grant my love a pardon  
And all the fruits  
Again would fill the garden  
But you don't want me anymore  
How can it be?  
Look what you've done to me  
Oh oh  
Oh oh, oh oh oh oh (and so on)
