

Miranda Lambert, Love Your Memory

(Miranda Lambert)

I don't want to see you or feel you
I don't want to look into your eyes
I don't want to touch you or miss you
I just want to love your memory tonight

I can't handle all this pain
All we ever do is fight anyway
Why we even tried I haven't a clue
With hearts involved there's way too much to loose

I don't want to see you or feel you
I don't want to look into your eyes
I don't want to touch you or miss you
I just want to love your memory tonight

You were something else to look at
Your intentions they weren't all bad
You tried to make me something I wasn't
Lord knows there aint no future in all that

I don't want to see you or feel you
I don't want to look into your eyes
I don't want to touch you or miss you
I just want to love your memory tonight
