

# Miranda Sex Garden, Are You The One?

tell me do you know a better way?  
tell me can you see a brighter day?  
tell me can you see beyond my smile?  
tell me dearest do I smile inside?

are you the one, and tell me are you for real?  
and how long can you wait,  
and tell me who are you?

tell me, are you still a lonely child?  
tell me, is there nothing left to hide?

are you the one, and tell me are you for real?  
and how long can you wait,  
and tell me is this for real?  
so tell me are you the one?  
and tell me who are you?
