Attitude, you got some fucking attitude  
I can't believe what you say to me  
You got some attitude

Inside your feeble brain there's probably a whore  
If you don't shut your mouth you're gonna feel the floor

Attitude, the one you got, oh baby  
Attitude, the one you got, oh baby  
Attitude, attitude

Inside your feeble brain there's probably a whore  
If you don't shut your mouth you're gonna feel the floor

Attitude, you got some fucking attitude  
(Attitude) I can't believe what you say to me  
You got some attitude

Attitude, you got some fucking attitude  
(Attitude) I can't believe what you say to me  
You got some attitude
