

# Misfits, Halloween

Bonfires burning bright  
Pumpkin faces in the night  
I remember Halloween  
Dead cats hanging from poles  
Little dead are out in droves  
I remember Halloween!

Brown leaved vertigo  
Where skeletal life is known  
I remember Halloween  
This day anything goes!  
Burning bodies hanging from poles  
I remember Halloween!

Go!

Halloween!

Candy apples and razor blades  
Little dead are soon in graves  
I remember halloween  
This day anything goes  
Burning bodies hanging from poles  
I remember Halloween

Halloween!
