

Miss Angie, Free

I've never seen You
Never touched You
Never, never, no
But I believe in Your Son (x2)
You, You make me free
Yeah You do
Yeah You do (x2)
There is no hope in me, in me
Oh no, oh no, oh no
At Jesus' feet I fall, I fall (x2)
You, You make me free
Yeah You do
Yeah You do (x2)
I'm captive, but free
I'm a slave unto Thee
It's not a dream
Free
Your word makes me free
It's not a dream
I've never seen You
Never touched You
But I believe in Your Son
I'm captive, but free
I'm a slave unto Thee
It's not a dream
Free
Your word makes me free
It's not a dream
