

# Miss Angie, Jesus Get Me

Jesus, get me while I'm young  
jesus, get me while I'm young  
Jesus, get me while I'm young  
And still afraid  
Jesus, get me while I'm young  
For You have all the answers  
You have all the answers  
Jesus, get me while I'm young  
jesus, get me while I'm young  
And still afraid  
For You have all the answers  
You have all the answers  
And You have all the answers  
Jesus, get me while I'm young  
And still afraid  
I'm still afraid
