

Miss Angie, Lift My Eyes Up

I'm so blind in times like these
Don't see that I can know the way
Out of the way I feel if
I lift my eyes up
I lift my eyes up
You feel so real
Times have changed for me
I've seen how it can be now
I know I can show the new way I feel if
I lift my eyes up
I lift my eyes up
You feel so real
You feel so real
It's a mess!
It's a mess!
Some say my brain's a mess
For laying down my life for the One
They say is crazy
I lift my eyes up
I lift my eyes up
I lift my eyes up
You feel so real
You feel so real
