

Miss Kittin & The Hacker, Life on MTV

A new crime in town
Minds go down and down those days
You smile so much when you see
Life on mtv
Such a nice car crash
Stronger than the flask she had last night
Violence on the street
Oh honey, you're so sweet like this!
Buy the next hit
Charts are full of that shit, you know?
Eat that reality
Life on mtv
Take a piece of love
With a bitch called simone
She's so sexy
Like life on mtv
Smoking your gitare
You don't give a damn, really
The only thing to be
Is life on mtv
Take a piece of love
With a bitch called simone
She's so sexy
Like life on mtv
