And just have fun good times (a good time!)

Just a little bit of loving's gonna feel so fine

Is it really true that you feel the same way too

And hope we'll be together.

Now, you know that I love you -so cute so cute so cute so cute

When I'm sitting, thinking of (wa wa wa)

The funny word we call love (wa wa wa)

I still don't think of you at first,

My family still comes above (whoo!)

If you wanna capture me (wa wa wa)

It's as simple as can be (wa wa wa)

Mr Lennon said it - all you need is

The funny word we call love (wa wa wa)

I still don't think of you at first,

My family still comes above (whoo!)
