And then ya got doe, and decide ya wanna leave
Gotta few chicks checkin for ya now, huh, you forgot about me
(Ain't it funny)

When ya man gets money
I bet you can't find him
But when he come home beggin
You can't deny him
Where he at when you need him?
(he's out lookin cute)
But when he need a few dollers
He know who to run to

[Verse 2]

We would go out, I had to pay for everything
I never had to worry about you fuckin 'round
You used to tell me "Yea I love ya, No one above ya"
Then I bought you clothes, I made ya look like a king
Then the girls started flirtin wit ya ass, huh, and you forgot about me
(Ain't it funny)

[Chorus]

[Hook]

I'll be the one you runnin to
when yo pockets is low
And you outta cash flow
And the chicks don't want you no mo'

[Beat comes back in]

Be the one you runnin to
When you got no mo' gas
In those buses, catchin cabs
And the chicks don't see you no mo'

[Chorus]
