[Missy Elliott]

Excuse me Mr., oh gosh you look nice  
Simply delicious, Missy want some kisses  
Let's go to the crib, get cozy in the nude  
And "Treat Me Like a Prostitute"  
Now pardon me sir, I'm such a real lady  
Ride in Mercedes to make the bitches hate me  
Cruise up and down one-two-fifth  
Lookin for a guy like you to get with  
[beat changes]  
I seen this cutie pie, so I pulled beside him  
Seen the size of his feet, so I couldn't deny him  
Might as well try him, the freak that I am  
M dot S-E always grindin'

[Missy - singing]

Please don't think I'm crazy (oooooh)  
But boy you are supa fine (do it to me, do it to me)  
[Slick Rick] Thank you Missy  
Irresistible delicious (oooooh) HOLLA  
Enough to make me lose my mind  
[Slick Rick] Yeah  
Know I really want it  
[scratched] Slick Slick Slick Rick an' M  
Now I want it, yeah  
Don't make me wait oh no - no don't make me wait oh no  
[Slick Rick] Missy  
No longer will I pretend  
[Slick Rick] Slick Rick in the house  
Let's get it on cause we both grown

[Slick Rick]

Yeah, yeah, yeah, yeah, yeah, yeah  
[beat changes back]  
Intelligent, delicate, watch how the fella get  
Bump into my homegirl in Miami, Missy Elliott  
Green blush on her eyelid, hi Miss!  
Gave honey a hug I feel her touchin my privates  
Aw shuck I guess, main course is in I said  
You know I'm married?  
-- Yeah and what's that supposed to mean?  
-- Proposition for you Ruler

Procede on

-- Well I got a track I need you spit a mean 16 on  
-- You with it?  
Down to bless one and I left one  
The Hit Factory, later on around eleven  
With my notebook, and pencil, I slides on in  
I see her lookin mighty sexy and the lights all dim  
-- Have a drink  
The booze and the karmy go oddly

After havin a drink I start to feel unusually horny  
Swellin stone, or well writ poems  
Busy poundin like I'm tryin to break off pelvis bones

[beat changes]

[Missy - singing]  
Please don't think I'm crazy (oooooh)  
[Slick Rick] Slick Rick is in the house  
But boy you are supa fine (do it to me, do it to me)  
[Slick Rick] Thank you Missy  
Irresistible delicious (oooooh) HOLLA  
Enough to make me lose my mind - lose my mind

[beat changes back]

[Missy Elliott]  
Excuse me sir, oh gosh you look young  
But old enough to get it to get yo' head sprung  
Sit down relax, it's soft here on my couch  
Or give me hands strictly you might get turned out  
Cutie pie, 'til I sit beside him  
Nice shoe size, how could I deny him  
Big bankroll to help me retire  
Me and him together smell like big empire  
Don't treat me like a prostitute  
Unless you're givin me some money makin sure I look cute  
But don't treat me like a prostitute  
Unless you're givin me some money makin sure I look cute

[Missy - singing]  
Please don't think I'm crazy (oooooh)  
[scratched] Please don't think I'm crazy (oooooh)  
[scratched] But boy you are supa fine (do it to me, do it to me)  
[scratched] Fi-fi-fine

[beat slows and fades out]
