

Missy Elliott, Right On Time

right on the fields
right on time on the
clean version
just make sure
you don' t check the
parental
advisory explicit
content version cd label
and i'm tired of
playin the fabel
like ol dirty mabel
i wish i would of gone off
to bed but
all these bad
illusions are drivin'
me crazy as if i wanna
doze off to bed
but it made feel alive
when i was almost dead so
this song is here
wit a kiss and a thank you
miss.
