

# Missy Elliott, You Don't Know Me

You give your hand to me and then you say hello  
And i can hardly speak my heart is beating so  
And anyone can tell you think you know me well  
But you don't know me  
No you don't know the one who dreams of you at night  
And longs to kiss your lips and longs to hold you tight  
To you I'm just a friend that's all i've ever been  
No you don't know me  
For I never knew the art of making love  
Though my heart aches with love for you  
Afraid and shy I let my chance go by  
The chance you might have loved me too  
You give your hand to me and then you say good bye  
I watch you walk away beside the lucky guy  
To never never know the one who loves you so  
No you don't know me  
(Music Break)  
You give your hand to me and then you say good bye  
I watch you walk away beside the lucky guy  
To never never know the one who loves you so  
No you don't know me
