Missy Higgins, You Just Like Me Cause I'm Good

You just like me 'cause I'm good in bed You just like me 'cause I'm good in bed Yeah, that's what your girlfriend said You just like me 'cause I'm good in bed Good in bed Good in bed

Well I'll meet you at the pub At two minutes to ten You're all ready to go With six bottles of beer And a sneer on your face Well I'd run But I'm much too slow

You just like me 'cause I'm good in bed Yeah that's what your girlfriend said You just like me 'cause I'm good in bed You just like me 'cause I'm good in bed

At half past one Well I'm flat on the floor Caught like a rat in a trap Fifteen times a week And you still want more Oh God, you talk such crap

You just like me 'cause I'm good in bed Yeah, that's what your girlfriend said You just like me 'cause I'm good in bed You just like me 'cause I'm good in bed

You just like me 'cause I'm good in bed Yeah, that's what your girlfriend said You just like me 'cause I'm good in bed Oh, you just like me cause I'm good in bed

You just like me, yeah You just like me You just like me 'cause I'm good in bed
